Fundraising Opportunities

Throughout the year EDA tries to offer fundraising opportunities for the dancers to earn money to be used towards their tuition and costume. We try to do all of the following fundraisers (however they may change).

Sub Fundraiser – Beginning of Dance Season
Cookie Dough Fundraiser – During the Fall
Cake Roll Fundraiser – During the Spring

Other Recreational Dance Costs:

- All students are expected to have and wear the proper dance shoes at every class. The price of these varies by shoe style and size. Shoes can be purchased locally at Kicks Dancewear (28th and Breton) or online at www.dancewearsolutions.com.
- Preferred Recreational dance shoes: Tap shoes should be black, Ballet slippers should be pink, Lyrical classes should have canvas turners, and Jazz classes should have tan slip on jazz shoes. There are PREFERRED shoes but all shoes are accepted.
- If a student wishes to participate in the year end recital (not mandatory to continue to take class), a costume payment of \$75 per student per class will be expected by December 1 of the current season.

End Of The Dance Year Recital:

All dancers are encouraged (but NOT required) to participate in the end of the dance year recital. It is held at a local school auditorium (for 2023: Godwin Heights HS) In order to participate in the recital, please note:

- Dancers must pay a \$75 costume fee (per class).
- Dancers must wear the appropriate dance shoes as determined by the dance teacher (for purchase on your own).
- Tickets for recital must be purchased in Spring for \$15 each (used for rental of the auditorium)
- Students must be committed to coming all season long so they can learn the dance and know it for the recital. Multiple absences will result in the whole class suffering.
- Please note that dancers who wish to continue class but are not going to participate in Recital need to inform their teacher or receptionist by December 1.

Competition Team:

If your dancer is looking to do something more with their dancing beyond just recreational classes, EDA has a competition team. Classes are still held once per week, but may be longer depending on the class. Dancers begin learning their dances early in the year, perform at local events, and attend Regional competitions.

- Regionals Competition Team is \$85/dancer/month, but you can take as many Regionals classes that are offered as your dancer wants.
- Your dancer can still additionally do a solo, duo/trio, or closed class small group for the additional price, and they may take that to competition as well.
- Costume fee for each class is \$85, due Nov 30th of the current dance season.
- Competition Team Members can be as young as 3 years old (by September 1 of the current dance year)
- Competition Team is more of a commitment than recreational dance. The dancer and parent must be ready to put time, energy, and effort into making the competition team a success.

Nationals Classes are offered for those dancers who wish to compete at regionals and nationals events. Members of nationals classes must take at least 1 regionals class. See website for more information.

If you/your dancer are interested in the competition team, please speak with any of the teachers or directors.

Our Mission:

Our mission at Expressions Dance Academy is to provide a fun, family atmosphere to promote the health activity of dance and creative movement.

Our teaching staff is selected based on their technical skill and ability to educate children ages 2 through adult. They are all at least 18 years of age and demonstrate a level of maturity that is expected of one who is teaching any age student.

Our receptionists are friendly and helpful, ready to answer questions or willing to seek out an answer if one is not readily available.

Our directors take a "hands on" approach to the studio. They are both teachers and receptionists, and are highly visible to the customers. They are willing to listen to any suggestions and help with any problems that may come up during the year.

We expect everyone in the studio to treat each other with respect. Disrespectful words and/or behaviors will not be tolerated. Part of being a respectful student is coming to class on time, appropriately dressed and ready to learn. Being a respectful teacher is listening to any concerns of the parent/student and trying to resolve them in accordance with studio policy.

We hope you enjoy being a part of Expressions Dance Academy. We strive to be everything you hope for in a dance studio!
